

KENPO WOMEN
would like to extend an invitation
to join the second-of-its-kind

WOMEN'S SYMPOSIUM

July 12, 2020, from 12:00PM-1:30PM Pacific Standard Time
Taking Place Via Zoom (Meeting ID: 870 7604 1427 Password: 386344)

Hosted by Barbara White and moderated by Heather Flessing, this is not only an open invitation but also a call to action. Come get to know some of the leaders in Kenpo, as well as learn about subjects pertaining to women in Kenpo. In preparation for this panel, we asked women throughout various Kenpo organizations what subjects they felt were important to women. Out of over 15 topics, we settled on the six most-requested subjects.

Our panel is composed of respected women leaders in Kenpo throughout the United States and Ireland, all of whom have many years of training. Additionally, many have their own schools, teach regularly, and give back to Kenpo.
