KNIGHT METHOD KENPO LINEAGE WORKSHOPS & AWARDS BANQUET

The first weekend in December we gather some of the most talented Martial Arts Instructors to share their knowledge with us. The classes are for all belt levels and abilities. Gain new perspectives, expand your knowledge of the Kenpo System, and make great memories.

It is our goal to share the teachings of these exceptional lineages in an atmosphere of mutual respect and true appreciation of the art. We invite you to come to Tucson and be a part of something very special with Your Kenpo Family!
